Browser

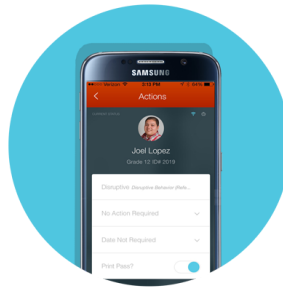

Connect to Hero from any laptop or desktop computer, using any operating system.

iOS

Is your iPhone your sidekick? Schools, Parents, & Students can connect that way, too.

Android

Hero has native apps for your Android phones, & browser compatibility for tablets.

Already know which app you need?

[DOWNLOAD IT HERE.](#)

We have school stakeholders covered

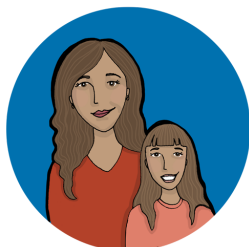

School Leaders

- Automate existing behavior programs and implement new ones with ease.
- Create, download, and share real-time, dynamic reports.
- Access Hero from anywhere with mobile apps and browser compatibility.

Teachers & Administrative Staff

- Assign points and actions quickly from desktop or mobile.
- Show parents and school leaders detailed behavior history.
- Ditch the log book and speed up slow manual processes, like tardy tracking.

Parents

- Push notifications can be used to keep parents informed of their child's behavior—in real time.
- Keeps parents and school aligned with school-initiated conversations.
- Allow parents to celebrate the good things their child does with positive behavior alerts.

Students

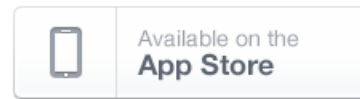

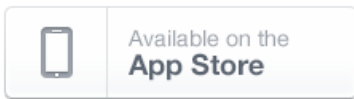

- Allow students to see their up-to-date PBIS point totals and disciplinary actions needed.
- The Hero Student Passport feature provides check-in to events and detentions using their phone.
- More visibility leads to increased ownership over behavior and engagement with the Hero program.

Download for free

Teacher or administrator?
Hero Schools is for you.

If you're a parent or student,
download Hero Students.

SCHOOL RESOURCES

PARENT RESOURCES

Access to Hero mobile applications is free. In order to use the Hero apps you must be authorized by your school administrators. Parents and students must also [obtain a secure key](#) to login to Hero. Hero does not offer individual accounts outside of our signed school relationships.
