Parking at Hanford High School is a privilege afforded to those students who have earned their driver's licenses. Staff and visitor parking will be clearly marked and students are to avoid parking in these areas.

Parking is permitted only in designated spaces. Cars parked across two spaces or parked in undesignated parking areas will be classified as illegally parked. Drivers who violate these regulations may be subject to disciplinary action including a $10 fine. Improperly parked vehicles or those without a permit may also be subject to fines.
