

# 2017 JUNIOR HANFORD FALCON FOOTBALL CAMP

## CAMP INTENDED FOR FOOTBALL PLAYERS ENTERING GRADES K-8

Hanford Falcon football believes in developing our roster one player at a time. This roster development begins in our youth and middle school programs, so our athletes are physically and mentally ready to compete at the highest level by the time they enter our high school program. Our camp will focus on basic football fundamentals as well as speed, strength, agility and plyometric development. Athletes signing up for camp will allow our high school football staff to invest in our youth and build our Hanford football family.
